Privacy Policy

Effective on 2017-11-18.

This privacy statement describes how burgeramtapp.com, burgeramtapp Android and iOS apps collect and use the personal information you provide.

Your privacy is important to us. At burgeramtapp.com we have a few fundamental principles:

1. We don't ask for your personal information unless we truly need it.

2. We don't share your personal information with anyone except to comply with the law, develop our products, or protect our rights.

3. We don't store personal information on our servers unless required for the on-going operation of one of our services.

Kirill Peshkin operates several websites including burgeramtapp.com as well as the burgeramtapp Android and iOS apps. This privacy policy specifically relates to the burgeramtapp.com and the burgeramtapp Android and iOS applications (collectively "burgeramtapp"). It is Kirill Peshkin's policy to respect your privacy regarding any information we may collect while operating our websites and applications.

Website Visitors and App Users

Like most website and app operators, burgeramtapp collects non-personally-identifying information of the sort that web browsers and servers typically make available, such as the browser type, language preference, referring site, and the date and time of each visitor request. burgeramtapp's purpose in collecting non-personally identifying information is to better understand how burgeramtapp's visitors and customers use its products. From time to time, burgeramtapp may release non-personally-identifying information in the aggregate, e.g., by publishing a report on trends in the usage of its services.

Gathering of Personally-Identifying Information

Certain users or visitors of burgeramtapp choose to interact with burgeramtapp in ways that require burgeramtapp to gather personally-identifying information. The amount and type of information that burgeramtapp gathers depends on the nature of the interaction. For example, we ask customers who sign up for an account within the burgeramtapp mobile applications to provide an email address. In each case, burgeramtapp collects such information only insofar as is necessary or appropriate to fulfill the purpose of the user's interaction with burgeramtapp. burgeramtapp does not disclose personally-identifying information other than as described below. And visitors can always refuse to supply personally-identifying information, with the caveat that it may prevent them from engaging in certain website-related activities.

Aggregated Statistics

burgeramtapp may collect statistics about the behavior of visitors to its websites and users of its iOS and Android applications. However, burgeramtapp does not disclose personally-identifying information other than as described below.

Protection of Certain Personally-Identifying Information

burgeramtapp discloses potentially personally-identifying and personally-identifying information only to those of its employees, contractors and affiliated organizations that (i) need to know that information in order to process it on burgeramtapp's behalf or to provide services available on burgeramtapp, and (ii) that have agreed not to disclose it to others. Some of those employees, contractors and affiliated organizations may be located outside of your home country; by using burgeramtapp, you consent to the transfer of such information to them. burgeramtapp will not rent or sell potentially personally-identifying and personally-identifying information to anyone. Other than to its employees, contractors and affiliated organizations, as described above, burgeramtapp discloses potentially personally-identifying and personally-identifying information only when required to do so by law, or when burgeramtapp believes in good faith that disclosure is reasonably necessary to protect the property or rights of burgeramtapp, third parties or the public at large. If you have supplied your email address, burgeramtapp may occasionally send you an email to tell you about new features, solicit your feedback, or just keep you up to date with what's going on with burgeramtapp. We primarily use our various blogs and social media accounts to communicate this type of information, so we expect to keep this type of email to a minimum. If you send us a request (for example via a support email or via one of our feedback mechanisms), we reserve the right to publish it in order to help us clarify or respond to your request or to help us support other users. burgeramtapp takes all measures reasonably necessary to protect against the unauthorized access, use, alteration or destruction of potentially personally-identifying and personally-identifying information.

Cookies

Cookies are files with small amount of data that is commonly used an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your device internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third party code and libraries that use "cookies" to collection information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Our Commitment to Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment to Children's Privacy

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at burgeramtapp from those we actually know are under 13, and no part of burgeramtapp is structured to attract anyone under 13.

Tracking and Ads

We partner with a third party ad network to either display advertising on our App or to manage our advertising on other sites. Our ad network partner uses technologies to collect non-personally identifiable information about your activities on this and other Apps to provide you targeted advertising based upon your interests.

Security

The security of your personal information is important to us. When you provide sensitive information (such as a credit card number) to us, we encrypt the transmission of that information using secure socket layer technology (SSL).
We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission, or method of electronic storage, is 100% secure. Therefore, we cannot guarantee its absolute security.
If you have any questions about security on our Web site, you can contact us at
support@burgeramtapp.com .

Privacy Policy Changes

Although most changes are likely to be minor, burgeramtapp may change its Privacy Policy from time to time, and in burgeramtapp's sole discretion. burgeramtapp encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of burgeramtapp after any change in this Privacy Policy will constitute your acceptance of such change.
